

## **MNSWAP- October 2024 State Conference Part II Perspective Challenge**

*There is what we see  
What we think we know (ie: believe), and  
What we are willing to learn.*

- A. Case study work to examine perspectives
- B. The Music Experience
- C. Partner Reading Experience
- D. The Sensory Experience
- E. Group and Individual Challenges
- F. Gatherine and Unpacking the Challenges and the new Perspectives

*What do we hear?  
What do we know?  
What are we willing to learn?  
What do I understand better,  
how can my new perspective shift adjust  
And my approach and understanding?*
